Subsequent Log-On

Subsequent Account Access

Additional Authentication for Subsequent Access

During the Log In process the software provider analyzes numerous elements regarding your device and environment to ensure identity. When something changes, an additional step in the Log In Process may be required.

For example, when accessing the site from a computer that is different from your prior log in, you may be prompted to enter a one-time security code. This code will be provided through the phone number on record, either via a phone call (Option A) or text message (Option B).

One-Time Security Code

An extra layer of security is needed to complete sign on. We'll send you a one-time security code that you will need to enter before you can access your accounts.

Tell us where to reach you.

We need to call or send you a text message to complete this process. Select a delivery method option below, agree to the terms of use if displayed, and click the Place Call/Text button to receive your one-time security code.

Phone Number	Delivery Method
XXX-XX5-4479	<input type="radio"/> Voice
XXX-XX8-3983	<input type="radio"/> Voice <input checked="" type="radio"/> Text <input checked="" type="checkbox"/> I agree to Terms of Use

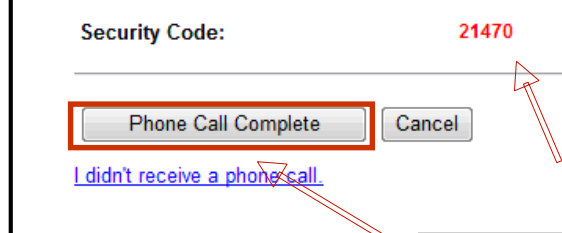

[My phone is not available or listed above.](#)

Note: Standard text message rates apply. Contact your wireless carrier for details.

Choose your delivery method, agree to the Terms of Use, and click Place Call/Text. If your phone is unavailable or not listed, click on the link My phone is not available or listed above.
